#### REMARKS

##### Present Status of the Application

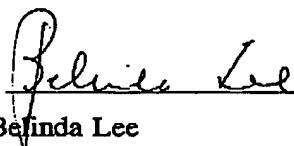

It is noted with great appreciation that the Office Action considers claims 1-13 as being allowable if rewritten to overcome the claim objection. In response thereto, Applicants have amended claim 1 according to the Examiner's suggestions. Support for the claim amendments can be found in the specification. It is believed that no new matter has been added to the application by the amendments made to the claims or otherwise in the application.

In light of the foregoing amendments, Applicants respectfully submit that all objections have been traversed, accommodated and/or rendered moot, and that the now pending claims 1-13 are in condition for allowance. Favorable consideration and allowance of the present application and all pending claims are hereby courteously requested. If, in the opinion of the Examiner, a telephonic conference would expedite the examination of this matter, the Examiner is invited to call the undersigned.

Respectfully submitted,

Date :
